The Premises:

Formerly Diamond Spa (The sign outside still says this.) Clean and tidy establishment with a friendly receptionist. Discretely located in a side street near the rail station. The main location on this report will show Bradford but it is definitely in Keighley, despite what the website would have you believe.

The Lady:

Lovely dark haired lady in her early thirties. A couple of small tattoos. Very good teeth!

The Story:

My second time with the excellent Amy. An extra 20 above the basic price secured the gfe special and it really did feel like a girlfriend experience. The way she treats me and reacts to my touch makes this tubby middle-aged fellow feel like a randy youngster. She is a nice mixture of tender and horny and seems to enjoy her work. I admit it, I'm smitten. Can't wait to see her again.
