The Story:

Last saw Lia 6 years ago (was it really that long ago)? and so glad Lia is back on the scene. We caught up with old times and then we had some fun.

Boy what fun we had. We did anal in cowgirl and missionary, a toy show, some really good reverse oral and a fantastic blowjob which resulted in the inevitable climax with swallow. Lia really does go to town when giving head swirling her tongue around the head whilst sucking not too hard, not too soft, it is ages since a woman made me cum with her mouth alone like that. The cost included filming which is for my eyes only lol.

Lia thank you so, so much, will definitely see you again. XX
