### The Premises:

Place totally clean and inviting

### The Lady:

Alex is one hell of a gorgeous blonde. She is amazingly fit - used to work for london blondes. She is very friendly and willing to please.

### The Story:

If you are looking for a woman who knows how to tie and tease and is willing to please, then look no further. Alex was dressed for the occasion and did exactly as I asked her to. she has been working for years and you can tell that she is experienced at what she does.

The best part is that she is very willing to please
