The Premises:

First point to make is that this establishment is just 10 mins away from J34 of the M1 (due to one way system about 15 mins back to J34)

The inside has been refurbished to a very reasonable standard & still retains that "80's/90's brothel feel", very clean/tidy. Had a bit of a wait as I wanted the two girls together; coffee was provided by the very friendly receptionist who deals with everything in a very "matter of fact" way which should put the new punter at ease.

To be fair, this is a really good palour!

For you guys that travel the M1, this is well worth the detour; value for money is in my humble opinion, unbeatable throughout the country, BIG statement, but true.

The Lady:

As per pics on website, 2 very different, but bloody horny looking & acting MILFS.

These two are simply "sex on legs", & shapely sexy legs as well.

The Story:

Every mans dream, done it quite a few times, & yes two girls is just fantastic.

Couldn't possibly give a full account of what happened, suffice to say; two mouths devoured my cock, two tongues "danced" on my cock & balls; tits/pussy/bums/cock everywhere..... Bloody incredible time, with loads of giggles/laughs.

Cheryl likes it doggy, deep & hard; Faye I found myself making love to in mish, whilst Cheryl was well go & see what Cheryl does when you bonk her friend?

If you get chance with these two sexy gals.....then get in there, you will dream/w***k about it for the rest of your life.

Thanks girls, see you very soon.
