The Premises:

Turns out that she shares a flat with Amelia, who I had visited only a few days previously. A sign that I must come back for a duo.

The Lady:

Very well maintained, fit, lithe, smooth-skinned eastern european man pleaser. Not sure about the red hair and think I would prefer her blonde

The Story:

Emma is a consummate professional. Definitely a bit naughty and up for anything and everthing I suggested but not in the least trampy. She kept smiling throughout and every request was accommodated with willingness and enthusiasm. She has a great bod and it is a particularly nice view when shagging her from behind.
