The Story:

very enjoyable time except when it came to paying! I booked for 30 minutes but our session overan by 15 (not my fault). I was told £40 for 30 mins so Alexie charged me £60! Then can the add ons, oral without £10 CIM £10 so Alexie asked me for £100. When i questioned this she said because we overan by 15 mins, again not my fault, all the "extras" were double. So what was going to be a £40 punt turned out to be £100. Only paid £80 as that was all I had on me but left feeling ripped off. YOU HAVE BEEN WARNED
