The Story:

Anastacia is really bubbly fun to be with girl. She looks like a goddess and kisses like an angel...I was in heaven. Plenty of kissing and oral and both are very very good. Probably some of the best kissing and oral I have had from a working girl, felt like a real GFE. All in all Anastacia is outstanding, and it certainly was better than walking the dog. Highly recommended to those who are looking for a real good GFE experience. I will be back, as Arnie would say.
