The Premises:

The place was a little exposed but safe once indoors, Vanessa is very cautious and discrete. Nice clean bedroom, warm and cosy.

The Lady:

Is this girl like her photos, quite a challenge, no she's not, she's far better! She's taller and slimmer than the photos suggest. First she looked me in the eyes, and I'm 6ft 3, so even with the silly shoes she must be 5ft8 or 9. A really cute face with deep brown eyes you could drown in and a gorgeous smile surrounded by bright blonde hair. She was wearing a black basque, skimpy panties and black stockings – absolutely gorgeous!

The Story:

Vanessa was very friendly and welcoming, with a Spanish accent but good English, she offered me a drink and didn't take too long sorting out the paperwork.

We started with Vanessa giving me a massage, which she is very good at, she has a great touch.

Presently she asked what I might like her to take off, I opted for everything, including the stockings, and there she stood naked. She was so slim, not an ounce of excess, but not skinny, smooth, almost glowing tanned skin, wonderful breasts, a nice handful each, soft but well supported with nice responsive nipples, flat tummy, long sensuous legs, narrow little hips and a hint of pussy with a touch of re-growth above it, oh and the prettiest little bottom ever. This girl is stunningly gorgeous. I'm not going to go into all the squelchy details, but I will say this, she has exceptional bedroom skills – and - it's been years since I last came in the missionary position, I'd been really looking forward to some doggie, but I never got there!

She warmed me down with another massage, for such a tall slim girl, she seemed to snuggle in sitting alongside me and we had a lovely cosy massage and chat for our last five minutes, we were really comfortable together, oh and she's not a clock watcher.

I accepted the offer of a shower and left shortly after with a silly grin on my face for the rest of the day. That had been an A1 experience with an absolutely beautiful warm and lovely girl.

If you are trying to choose between two girls you haven't met before and one of them is this girl – let me make this simple - CHOOSE THIS GIRL! She is mindblowing.
