The Premises:

Well located in central MK; plenty of parking nearby. This is a safe, well-appointed apartment.

The Lady:

There is a twitpic on the Annabella's twitter feed describing these two beautiful women as 'a blonde sandwich'. Physically, they complement each other beautifully: Adele curvier and Carmella taller, but both utterly lovely.

The Story:

On a previous visit to Adele, she recommended a duo with her and Carmella, so when I saw that they were working together on a day that I was in the vicinity I jumped at the chance to see them both.

Carmella was running a little late but there was no question of rush and time was made up at the end. Kissing two women at once is a fabulous experience and these ladies have different styles: Adele was full-on from the start while Carmella began more tentatively but became more passionate as time passed.

The time was filled with a series of intense impressions: Carmella sitting on my face while Adele sucked me; Adele and I kissing while Carmella licked her; Carmella riding me before I moved into missionary with Adele, which brought me to the brink; then the climax thanks to a glorious mixture of hands, lips and tongues.

The whole hour was incredibly intense yet funny and light at the same time. I don't tend to be very vocal at moments of heightened pleasure and a strangled "my word!" caused a little amusement. The time was beautifully concluded with a relaxed chat as both girls lay in my arms.
