The Premises:

Small room on a bit of a strange location amidst what appeared to be council apartments and OAP residences. Bit grubby inside but felt safe there.

The Lady:

Hannah is around 30. Now this is a bit of a strange review as i don't want to sound negative but it has now made me stay with my regular girl who i have seen for a long time now..

Hannah has great boobs but is much bigger than her pics on teh website. After this long i should have known if it looks to good to be true then it is, although please don't take this as negative comments against Hannah. It is just the way of the girls these days.

The Story:

Hannah is quite attractive but is bigger than her pics with a bit of a belly. She is a lovely girl and she was honouring a special offer she had advertised from teh week earlier so she is a nice girl.

Started off with a vigorous tug and very little owo. No kissing was allowed and i couldn't put my hands near her mouth.. She didn't seem that interested and when it came to the end she said no CIM which she had previously said was ok and she does advertise... Make sure you agree what's on the menu..

All in all it was OK but i won't be venturing away from my regular girl who is amazing...

Hannah is worth a visit gents but i won't be returning or visiting other girls in a hurry. Have learn't my lesson...
