The Premises:

A new flat in Ashington. Adequate parking and felt as though I was in a safe area. Flats are modern and clean at this time.

The Lady:

Sarah met me wearing a little black dress and looked stunning. Better than her photos and is a well spoken well dressed lady. Very pretty and very clean. A wonderful welcome snog as soon as I got in the door.

The Story:

Sarah is a wonderful talkative and attractive lady who would look good on anyone's arm. She put me at ease with plenty of DFK and mutual undressing. Lots of kissing, cuddling and oral both . She confesses to being a nympho and thoroughly enjoys sex and orgasms of which there were plenty. I could have stayed all afternoon but had to leave with a smile on my face and happy memories. My best outing for ages and by some distance. Sarah is a touch of class!
