### The Premises:

Blue Ice is a well known parlour and there is street parking. I made my way to the first floor and was able to see all 5 ladies. Is business slow? Anyway of the 5, Suki looked lovely and Donna practically sat on me as i was standing up and nibbled with my lips whilst giving me a hug and stoking John - down below. So sorted and i decided on both as i rarely do 2 girls. I paid the maid £120.

### The Lady:

Suki looked a size 8, long straight black hair, very pretty Japanese woman, very small breasts, great bum and lovely smile. Donna, in contrast was a 34d, size 8-10, black hair, also pretty and both aged about 25 (I am not sure)

### The Story:

I asked to pinch me to check i was not dreaming. Both ladies gave me long kisses with Donna it was DFK. Uncovered BJ was an extra £20 and I thought, go for it. Whilst one was working on my John, I had face sitting experience with the other and then they swapped. Then one at a time in 4 positions, top, side, doggie and then front. I believe i led to orgasm to both, certainly I came on 42 minutes. How amazing Suki was tight for me and we rocked slowly. Donna more rock and roll. What fun. Great punt, thank you blue ice ;)
