The Premises:

This flat is located around the corner of the Thomas a Becket pub about a 5 minute bus ride from Elephant & Castle tube. It is discreet, but it has the smallest bedroom I've ever been in.

The Lady:

Another Chinese lady; probably in her 30's, small 34B breasts with large round nipples.

The Story:

I was still a bit jet lagged when I made this punt and chose this lady because she offered a massage. That was reasonably OK and I did expect a hand relief finish, but in between that she gave me covered oral, plus sex with her on top and then missionary.

This place was a bit too far for me so I will not return.
