The Lady:

Anna and Chloe greeted me wearing nice dresses looking marvellous. Anna, redish-brown hair, mid-20's, pretty. Chloe, brunette, again mid-20's and pretty. Both ladies curvy with wonderful smooth skin, just as I like!

The Story:

On reflection I was a little tired after a tough week at work so wasn't on my usual top form. I was very happy when I met the ladies and I even happier when they sat me down, one each side, and began to make me feel very relaxed.

The next hour flew by and it was a very relaxed booking, which is just what I needed that night. The ladies were wonderful and enjoy working with each other. What I noticed most, other than both were just what I go for in terms of looks and figure, was their genuine warmth and relaxed confidence. I felt completely at ease for the entirety of my time in the company of these two lovely ladies.

I wish I could afford £300 every week, but alas, will have to wait a few weeks before I see either of the ladies again. Thanks again Sky for yet another top recommendation.
