The Premises:

Nice place, clean and comfortable.

The Lady:

Slim but rather older than advertised. Certainly not 20's and more like late 30's/early 40's.

The Story:

Sex was not bad but couldn't get over that she was much older than pictures suggested. For the price and "misadvertising", certainly wouldn't return. Not sure how long she has been around but would have been terrific once upon a time. Much better younger versions around for considerably less.
