The Premises:

Ex local authority duplex flat about 10 minutes walk from DLR. Took me longer to get there than expected. Safe enough area during the day, and flat was warm and clean.

The Lady:

Cindy has a girl next door charm and is delightful. Perfect breasts and a shapely bum.

The Story:

I was nervous and almost didn't make it to see her. Had almost given up when she texted me.

Anyway once we'd sorted selves out got down to business. She kissed nicely and I sucked her delicious breasts, moving down to her pussy which was smelt clean. I licked her and managed to insert a digit which she sort of enjoyed in a squirming kind of way. Eventually she said that she was a bit sensitive because of earlier attentions.

She then gave me covered oral (she would do BBJ)and I then decided to fuck her in mish. This was goood. Nice and tight so I gave her a good shagging. So good that when I took todger out, meaning to get into doggy, I came and filled my condom. Lack of practice on my part. She said everone comes quickly the first time (I assumed she meant with her.

I plan to return.
