### The Premises:

One of Annabellas' apartments. Nice safe area close to city centre with good parking nearby. As always the room was clean and pleasant.

### The Lady:

My ideal asian babe. 19yo tiny teen with lovely big boobies and one of those rare petite baby-faces that get the pulse racing. Added to that Saraya has a nice friendly personality to smooth the way towards a truly pleasurable encounter.

### The Story:

This was a good'un and well worth the trip from London to see her. Bit of a leap of faith as Saraya has had no FRs as yet but I wasn't disappointed.

I like to see ladies in the classic business suit outfit, and in the black pencil-miniskirt and white blouse I took with me for her to wear she was a fantasy fulfilled. My hands were well full-filled as well as the disgraceful sexual harassment of my 'secretary' proceeded from a joyful groping of her lovely big tits; through hand up her skirt and on to the exquisite sight and feel of my cock sliding between her sweet little lips and into her warm wet asian babe mouth - yes indeed! this little honey surely does do OWO.

She clearly enjoyed my RO efforts and after some boob-bouncing cowgirl finished me off with her tiny little hand making my average sized cock look enormous.

WOW!!! Why can't this lovely creature work in London??? As my next door neighbour (or real secretary) would be ideal but at an establishment anywhere within the M25 would be excellent.
