The Premises:

Bambies is a nice clean, discreet parlour in Ellesmere Port town centre. Shame they haven't got a shower, but all good otherwise.

The Lady:

Fit blonde in her twenties, slim body.

The Story:

It was a bit disappointing really, I've visited Bambies several times in the last couple of years, and always had a positive experience, but this just wasn't happening.

Faith started with a brief massage whilst chatting, she then starting yawning, and said, "I suppose you may as well turn over". She was playing with me, whilst chatting about the weather, and yawning away constantly, not really getting me in the mood.

I suggested kissing, a 69, her on top, all of which she didn't do. This is fair enough, I respect boundaries, but it just felt like she was really disinterested, and that just didn't do it for me.
