### The Premises:

A typical, small, flat .. but right at the top of the block (exhausted!)

### The Lady:

A really nice, tight, fuck-doll.

Slim, well-shaped, with pretty but enhanced (and quite hard) tits.

She was the girl on the website; no doubt.

### The Story:

Great !

May was dressed, of course, ready to fuck - in a skimpy red outfit. That stayed on long enough for me to have a shower and get onto the bed... and then we were off.

OK... well... we've been here before, so May:

Sucked my cock and deep-throated me, then tea-bagged my balls and rimmed my bum-hole, before sucking my cock again.

Then on with the condom and she slid her tight cut down my shaft... nearly making me cum. But I controlled myself and we flipped over to doggie for a decent fucking before I lubed up and targeted May's arse (I'd made sure she was up for a-levels when I booked her, so anal was definitely on the menu). Plenty of lube, and May was up for a bugging, so I shoved the old man home and started the sodomy. A while in doggie, then May was on her back, with her legs in the air - I was holding her ankles - and I was balls-deep in her anus.

May's a petite girl, and she's relatively new to this game, and she was a willing participant, so her arse was nice and tight and she was more than happy to kneel on the bed, with her shoulders down on the mattress, her arse high up in the air, her back arched... and my cock in her rectum.

A solid session of buggery... and then May was lying on her back, mouth open, tongue out and I was cumming in her mouth.

Fantastic.

I would have liked, to be honest, to have tried again, but May suggested I settle for a nice hand-job.... which was, to be honest, great.
