### The Story:

I had a work trip to Nottingham that day and was determined to fit in a visit to this establishment, which is clearly growing in popularity. Abi greeted me with a lovely smile. Rub Notts, as the name implies, specialises in sensual massage. I'd read that Abi has her own speciality, which is to use her feet. It was altogether a different, and wonderful experience. I enjoyed the drive back to London afterwards and hope my next work trip to Nottingham will be soon.
