### The Premises:

Very close to Borough Tube Station. 4th floor of a building. Felt very safe. Stairs leading to her Flat were a bit scruffy, but her flat was very clean and tidy with all the usual amenities, i.e. shower and large comfortable bed

### The Lady:

Her appearance was immaculate. Very tastefully made up and lovely well groomed hair. Age I would think, middle to late 30's, lovely slim figure. She was dressed in a dark sexy outfit. She looked superb.

### The Story:

I had seen Daniela many times last year but, unfortunately, due to family and other circumstances this was my first visit to her this year. As usual she greeted me with a very warm embrace and lots of kisses I had brought with me a bottle of red wine which Daniela opened and we had a glass while catching up with events over the past 5 months or so. I handed the cash to her which, as usual, she never bothered to count. Being with Daniela is more like seeing a lover than an escort. The next hour (plus!!) was spent in what could only be described as passionate love making. Out of respect to Daniela I do not propose to go into details but she performed everything you could possibly want in a very professional but not mechanical manner. We stopped half way to finish our glasses of wine and Daniela continued in her own warm and affectionate way to make me a very happy man. Daniela holds nothing back and her ultimate aim is to make her clients happy (certainly in my case). She is a really lovely, warm, affectionate and honest Lady. I had to remind her that my time was up but she continued making love to me and I really lost count of the time I was with her. When she finally got out of the bed she left me to dress whilst she showered. When she returned she looked simply gorgeous, so much so that, if I wasn't already spent, I would have liked to continue my visit. She left me with a fond embrace and I then reminded her that she had still not counted the money. She just smiled and gave me another lovely kiss. Daniela is such a lovely Lady that I would like to see her at least once a week but distances unfortunately make that impossible. If you go to see this lovely Lady blokes please treat her with the respect she so thoroughly deserves. She is one in a million. If you had to pay her £200 for an hour she would still be a bargain.
