The Premises:

Clean and cozy, and completely safe (as far as one could tell at mid-day), a 5-10 minute walk from the Turnpike Lane Station on the Piccadilly Line. It's residential area and I didn't notice a lot of empty parking spaces.

The Lady:

Think of a mahogany Jessica Ennis and you'll have envisioned Coco perfectly. A beautiful, lithe ebony body, perfectly proportioned and well-toned, topped by a lovely face and a radiant smile. Not an F-cup but rather pert Bs with bullet nipples, and a gorgeous dimpled bum, rather than a 'big booty'. Coco should never be allowed to wear clothes!

The Story:

I had seen Coco before fairly recently, at another location and on another website and with a different name, but 'Coco of Turnpike Lane' has grown in experience and appeal and I love her new start, in a much nicer flat and with added polish - she is a delight!

Speaking of polish, Coco loved to be massaged with baby oil and the patina this gives to her beautiful ebony skin is incredibly seductive. She loves giving pleasure and she is wonderfully responsive while receiving pleasure. And she is fun to be with, pre-coital and post-coital, and a good conversationalist who enjoys a sip of the grape, as well. GFE extraordinaire!
