The Premises:

Nice, clean apartment, very safe area, easy to find with a sat nav. Also shower facilities and a beautiful friendly maid offering drinks as a bonus. I was unsure about where to park, but I think because it was a bank holiday everywhere was free. The parking meters were phone to pay which I hadn't seen before and I couldn't find any others where you could pay at the machine. I risked not paying and was fine in the end.

The Lady:

Tina is gorgeous, perfect flawless smooth olive skin, a most beautiful face and smile, perfect arse and lovely natural tits (basically an instant turn on from when you meet her). In person she looks so much prettier than the airbrushed photos on the website. I see what they say about Romanian women being some of the most beautiful in the world.

The Story:

I was a little nervous, I hadn't had a punt in many many years and I never was a regular either (only 2-3 times before in my life and all in my 20's). Tina saw I was a little nervous and did all she could for me. I usually warm up more to people after I meet them a few times so I am sure next time will be better for me in that regard.

After quickly getting the money out the way and discussing what I was looking for we started with some light kissing as I caressed her body as she did mine. This led to some french kissing at my request, not deep but it was nice.

Tina sat on the side of the bed and started to performed some OWO on me. This was the first time I ever had oral without a condom and I have to say it was the most pleasurable sexually experiences I have had to date.

I moved onto the bed while Tina continued to give me head and fondling my ball before putting the hat on and mounted me for some cow girl. At this stage I was already to explode and should have asked Tina to stop and perform some RO on her to calm me down. Instead I came quite quickly with her on top and still plenty of time left on the clock.

I asked Tina if I could perform some RO on her next as I gave my dick a chance to recover and perhaps time for cumming twice in the 30 minutes. She had the most sweet strawberry tasting and beautiful pussy which I proceeded to lick and suck whilst she moaned quietly. She doesn't seem to like fingers though which was a shame, I would have liked to explore inside her more. After quite a long session of RO whilst caressing her body at the same time my neck was getting stiff so I tried for round two.

On with the second hat, she started with performing oral on me again to get me surprisingly stiff after just cumming. After this I got to see her beautiful butt from behind after performing doggy on her until my second climax.

With time spare Tina offered me a shower to freshen up. After I finished Tina lead me to the door with a final much appreciated kiss goodnight. Tina was great, wish it was slowed down at times. Next time I am sure I will last longer and I am sure to return.
