The Premises:

This was one of the nicest rooms I had been entertained in, very good and in a discreet CMK location.

The Lady:

This girl was so pretty and her body was simply gorgeous and as with other comments I have read about her she really is much better to see in the flesh.

The Story:

I really have to be honest here, this is my first review and I am doing it because this girl was simply worth every penny and I wish I could have her all for myself! A spring chicken I ain't and I wish I was 20 years younger as I would loved to have spent the day inside her! Did not feel rushed at all and she gave me all that I wanted and a cheeky bit more, thank you Adele, I may break my rule and go back a 2nd time for you!
