The Story:

Came in tot the room and ask which services I wanted. I chasked for two and was asked for paymen t upfront. Not a issue as I think you can all releax once this is sorted.

Unfortunately it was all down hill after that. Quick rub of talc and was asked to turn over. On with the condom and when I asked for reverse oral was told that would be extra. But I had already paid for two services which with the other girls includes reverse oral. Anyway quick oral and I could just barely touch her and she kept moving away. Quick sex and all over.

Personally she did not look quite right. Eyes dilated nose tip red etc - you can decide what that could be.

May never return is how im feeling - economic deficulties already then you pay for somthing like this and you expect better.

Bring back Sally, chelsea etc
