The Premises:

Flat above a shop, 3 minutes walk from Liverpool street station. Bit scruffy from the outside & hallway but once inside her flat it was clean & inviting, nice & cool on a hot baking day. Bathroom was clean with all sorts of shower products to use.

The Lady:

Claims to be Thai & 24 yrs old, no reason to doubt her, 5ft 4, soft silky skin, slim yet busty...firm yet soft at the same time... Have no idea if they where real or not(can never tell !), she is very pretty & speaks perfect English.

The Story:

Lisa had to come down & open the door so was dressed "normal" yet stylish & did look very sexy.

Went for the basic 30 min option ... Massage, Oral & Sex.

- Massage was from head to toe. It firm & relaxing ... knows what she is doing on that score.

- Oral... 1st she said it would be covered but then decided to give OWO, I was not complaining!.

- Sex was her on top.... slow, fast, slow with hands firmly pressed against my chest pinning me down then fast again, did this action with her hips.... it was too good & with my hands all over her bum could not hold back anymore, very satisfying climax.

Cleaned up, offered use of the bathroom & went back to work with a spring in my step.

I went for a basic service & got OWO as a bonus but almost all services are available, Some like: A, Rim, Cim are extra but with a basic rate of 30 mins = 60, 1 hr= 100 I think they would be well worth it. Will try some of them on my next visit.

Very happy to have found this place
