The Premises:

Nice flat. felt safe.

The Lady:

very pretty blond with gorgoeus figure.

The Story:

we kissed on the bed and she undressed me down to my boxers.

she started rubbing my cock till it got hard, then she took my boxers off.

she said wow you have a huge cock, i havent had one that big for a few months, im a bit scared.

owo for a while while she fingered herself, but then i couldn't wait any longer. i said i need to fuck you.

eased it in in dodgy, she didnt seem scared, she was being very vocal and telling me to fuck her harder with my big cock.

after about 10 mins of vigourous thrusting she said harder baby im going to cum.

i held back for a while and then she came and i followed in the condom. she is either a great faker or had really intense orgasm.

great punt.
