The Story:

Rachel keep me waiting an hour past original appointment time, arrived to find her wearing stockings (with hole) and heels, similiar to the pictures. Said hello, how long then paid. Left room, came back quickly and jumped on me, stripped off, excellent oral without, ball licking and rubbing her tits over my cock. On with condom and we started spoons, then pulled out & came over her tits. Good massage, then sexy touching, more excellent oral, then on with condom and very exciting cowgirl, then frantic doggy to finish. Great sex but no conversation, hence probably not return.
