The Lady:

i have seen jet many times and decided to see her and her friend josie who has a lovely mature figure lovely breasts and an arse i couldnt resist.

The Story:

i was tied and blindfolded and lay helpless on the bed as a pair of tits were in my face to suck as i felt my cock being sucked.then one of the girls sat on my face so i could lick her pussy as the other got me hard.then one rode my cock as i drank the others juices.finally jet ordered me to fuck josie as she bent over so i rammed my manhood into her moist fanny as jet fondled my balls.before i exploded i withdrew and jet then wanked me over her tits as i fingered josies cunt.what a pair of dirty ladies they are.go see them guys you will love them.
