The Premises:

Clean & comfortable apartment in safe part of MK close to shopping centre. Greeted by the ever lovely & cheery Natalia, waited in kitchen with the gorgeous Charlize, best legs in MK, until shown to comfortable tastefully furnished room.

The Lady:

Have not been to any of my old MK haunts for a while but have been keeping up with the comings & goings for a while on Punternet and had been impressed by Adele's gallery, her glowing FR's and her general persona on Twitter. Adele is an exceptionally beautiful blonde, facially stunning, lovely eyes, everything in proportion & with a smile that just lights up a room. Knew I had made the right choice straight away.

The Story:

Dispensed with the financials and soon we were exchanging tongues and groping each other, Adele is a lovely kisser and a joy to kiss, no pecks here proper DFK and as much of it as you want. Let me undress her, slowing removing her bra & peeling of her tiny knickers to reveal a perfect formed pair of 34C breasts with very suckable nipples and a nicely manicured lady garden. On to the bed and Adele was between my legs sucking and licking my cock shaft, head & balls, this was so good had to ask her to stop or I would have shot my load immediately. My turn to taste Adele's delights and a prolonged bout of licking her pussy & fingering her pussy and bum simultaneously had the desired effect. On with the rubber & sex in cowgirl with Adele thrusting and grinding into me. I cannot remember when I last enjoyed seeing someone 'new' so much. Will see Adele again the first chance I get.
