The Lady:

There are not the words to describe just how lovely Adele looks. She has something very sweet about her that is just incredibly beguiling. She has a gorgeous little figure, long blond hair and the most amazing eyes that hide such a naughty side...

The Story:

I have been punting for several years and have had sex with many escorts and with many non-working girls. Today was without doubt the BEST sex I have ever had. Not only did we do the things I love (which Adele excels at) but I also did some things that I have never done before. I think having Adele in our world is one of those rare times when someone special is at work. I don't want to recommend her, because I want her all to myself. But then, life is all about sharing..
