Very sexy body art, glowing eyes about 5'6" perfect in every way!

The Story:

We started with our hello kiss and this was a wet deep French one!

Yana is very attentive to your needs and she will aim to please.

Lots of licking and kissing all over and she even left me a few love bites which were showing on my neck!..

Yana is a perfect lover- her oral is maybe the best in the business.

She gives you that personal touch and makes you feel special!

Look after her guys and I promise you won't be disappointed!!

She is from Heaven....
