The Premises:

Great venue, easy to find, very comfortable. Exactly what I expected

The Lady:

Yana looks amazing. There is something Mediterranean and something Asian about her, that belies her Russian background. Her body is something to behold, with the most amazing plethora of astounding tattoos

The Story:

Yana does not disappoint in any way. In particular, what she can do with her mouth needs to be experienced to be believed. She made me feel like a god - twice! Which at my age is pretty good going.

I can not recommend her highly enough. Go lose yourself in those dusky eyes. What are you waiting for?
