The Premises:

Izabella was on tour and was staying at an immaculate serviced apartment. The entry pad was a little public but once inside you felt very secure. Her appartmet was decorated and furnished to a very high standard. Her bedroom was a true delight with tasteful mirrors a pristine ensuite, towels etc.

The Lady:

A busty brunette with a firm hour glass figure. She has a friendly face with a wicked smile. She was dressed tastefully and exotically in green. No tattoos or piercings apart from two tasteful earrings. A lady you would, be very happy to have on your arm in public, even though it might take some explaining.

The Story:

Gorgeous women with delightful figures can be stiff and uncooperative. Izabella could not have been more sensual and obliging. She went along with all my requests with passion and confidence. I do have however one major complaint which will stop me seeing her again soon.

that is .. she was on tour and thus I know not when she will be in striking distance again.

Izabella come back to the South East, pretty please...

A punt in a thousand.
