### The Premises:

Very presentable town house close to CMK shopping centre. Plenty of parking available at £0.30 per hour. Room was pleasant and comfortable with a large double bed.

### The Lady:

Very attractive blonde in late 20's great long legs, naturally busty, perfect bum, cheeky smile.

### The Story:

Sorted out admin at start though Pixie indicated that later would have been ok, nice attitude. Full on DFK with much mutual groping as we undressed each other and fell to the bed to continue getting to know each other. Pixie asked what I liked and soon commenced delivering in full all of my desires. Pixie gives great head with constant eye contact, full attention to the balls and shaft and took it deep in her mouth. Time for a 69 and the chance for me to lick her shaven pussy and bum whilst still being sucked by Pixie. This had the desired effect on both of us as soon after Pixie started making all the right noises and gripped me tighter I came a full load in her sweet mouth. A clean up and a chat and before I knew it she had my old fella ready again so more prolonged 69 before I shot a second load into that lovely mouth.

Still time for a toy show as Pixie pleased herself with her favourite toy as I stroked her mouth skin and offered her encouragement. Fantastic punt with a very sexy & friendly young lady.
