### The Premises:

A clean, pleasant upstairs flat, conveniently located near a tube station. Felt very safe.

### The Lady:

Slim, attractive, dark-haired lady, in her 30s probably, central European, small but very nice breasts.

### The Story:

This was GFE at its very best. Sophia really enjoys kissing, especially DFK. I can honestly say that she enjoyed the whole experience as much as me, and that's not usually the case, I've found. She gave me OWO for ages, or so it seemed. I came on her lovely body. I'm not often in the area, but I plan to go back there soon.
