The Lady:

I was given the choice of no fewer than 6 attractive ladies and chose Candy, a slim friendly dark-haired lady from the Czech Republic.

The Story:

After a shower and some kissing, Candy gave me a very thorough massage. In fact she spent so long on my right foot I wondered whether there would be time for anything else! I need not have worried. Candy used her body expertly, performing OWO in a '69' position while her pussy was pushed into my face. I was happy to lick it. It tasted sweet. This is one lady I'd like to see again.
