The Premises:

Cosy, clean and convenient. Spitalfields is a trendy area and Shana's flat couldn't be more conveniently located - within one minute's walk of both the Farringdon tube station and the Farringdon rail station - with no need to drive there, and good luck in finding a legal parking spot if you do.

The Lady:

Incroyable! Silken cafe-au-lait skin, lithe body of a goddess, lovely face and a devastating smile. To call Shana an ebony beauty is to vastly understate her appearance and allure. She should never be allowed to wear clothes!

The Story:

I have been punting for over forty years and I have made love to some lovely women (mostly Thai) during that period, but I am pressed to think of one who is better looking or more sensually responsive than Shana is. She really does relish making love, both in giving and in receiving, and her enthusiasm for both is a huge stimulant. Her English is perfect, delivered in the most delectable French accent, and she could be quite an enchanting companion while fully clad. Trying to converse with Shana in the nude while trying to catch my breath, however, is a serious challenge! I never got around to discussing her 'enjoys' with her because Shana clearly enjoyed everything as much as I did - nothing very extreme or venturous, merely fabulous.
