The Premises:

Rose's flat is located in a safe area about 10 minutes away from the nearest train station. It was clean, inviting and had a very nice en suite shower. Very clear directions given by text although I still managed to get lost initially!

The Lady:

The website pictures are accurate. A very sexy long haired brunette, mid twenties with very soft and smooth skin. Although her face is not shown in the pictures I can say that you won't be disappointed...definitely a looker in my humble eyes.

The Story:

Rose offers a fantastic GFE.

This was my first visit to see Rose and from the start I was welcomed in and made to feel at home. After showering and a bit of getting to know you chatting we then moved on to the fun and games. Lots of kissing to start with then I explored her sexy body and thoroughly enjoyed myself. Rose returned the favour with some covered oral (which was very good).

One of the reasons for visiting Rose was her stated interest in sexuality and intimacy and how she's willing to help work with issues around sex. I can say that what you get is an affectionate , tactile, warm and fun experience with a young confident sexy lady. The two hours flew by and I can honestly say that I enjoyed every moment.

This experience is, for me, what dreams are made of and have plans to visit again as soon as I can. Highly recommended.
