The Premises:

Flat was nice and clean, and it was easy to get parked outside. Off the main road, so didn't feel too conspicuous walking to the door.

The Lady:

Beautiful lady in her 20s with nice soft skin and perfectly-sized breasts. Always smiling as well. Hit the jackpot!

The Story:

Victoria greeted me warmly before excusing herself for a minute while she got dressed into some sexy lingerie. Wow! Started off with a much-needed massage, followed by Victoria teasing my face with her beautiful breasts, then onto an excellent covered blowjob. We then had sex in a couple of positions, before I climaxed - despite having just warned her I had a tendency to take ages to come! We then repeated all that, before lying on the bed having a bit of a chat and a cuddle.

Victoria's a really nice girl, and I'll certainly be wanting to see her again. I had a great time - I suspect you will too!
