The Story:

My second visit to Eva. I knew I was going to be in the area so gave her a call and arranged the time. She really is a sweet girl. Way too good, she's wasted in this area, in fact if she was in Kensington she could charge top top prices, and get it.

She doesn't do all the more exotic services that some may require but if you are after a brilliant massage, (a real one, not some light fingered tickle job) and a true gfe then she is the one.
