The Story:

Booked a late lunch special treat for me, Roxanne was dressed as requested, red lace bra and panties and red hold up stockings.

After a quick shower she started on on oral on me. Seriously, I like to punt, and I've never had a better blow job.

Switched to 69, sweet tasting and shaven, then, finally, before I blew my load, on with the rubber and a every enthusiastic fuck.

No better value in Bristol, just wished I'd had a longer lunch!
