The Story:

This was my 3rd meeting with Suga and as requested she met me at the door in a tight silky dress with seamed stockings and very high heels. Underneath her stockings were being held tightly in place by the 6 suspenders of a retro girdle. And her ample boobs were supported by a half cup bra.

After a snog and a cuddle I gave her sweet pussy a good licking before some deep mish.

After a rest and a chat Suga gave me some intense OWO to get me hard for round 2. She bent over at the edge of the bed and slipped me into her bum for a good session of anal.

I left a happy man.
