A typical family home not a palace but clean and as tidy as any house with kids

### The Lady:

Katy is a BIG girl with fantastic big tits to wallow in and the biggest most smackable arse I have seen for years. She has some very nice peircings round her lips and other places as well

### The Story:

Been some time since I punted but on a friends recommendation I contacted Katy she sounded fun on the phone so off I went. Its allways exciting going to see someone for the first time and when she answered the door in just a pair of heels she blew me away a big buxom girl. What followed was awesome, Mutual kissing licking and sucking. Katy loves being fisted I have got big hands and she took all I could give her Warning she is wet and noisy.

Time for me to lie back and enjoy a long slow exquisite blow job. She uses her piearcings with consummate skill and I came to an explosive climax all over her gorgeous breasts. A clean up a kiss and I was on my way. I will deffinatly be back for more,
