The Lady:

May be the same girl in the website pictures, but the pics are very flattering. Airbrushed body, quite clearly. She is nowhere near as 'petite' as the images suggest. Pretty face, however.

The Story:

About to go through two-week family holiday so last chance to unload for a while and with my reliable super-favourite Mei sadly not in, had to pick from who was available. Very disappointed in the result.

Bit like a punt from the 1980s. In the flesh she is much larger than the Website would lead you to believe, bit of a tummy, too. Greeted me with 'what would you like to do?' Told me I was not allowed to suck her nipples, no kissing. Five minutes of BJ and she made it clear that was enough. Went through with it and unloaded more out of relief than pleasure.
