The Premises:

New modern apartment, nice area and very discreet. Very close to Bathstore/County Mall Crawley town centre. Easy parking

The Lady:

Booked to see 'Linda' , well I definitely didn't see her, didn't remotely look like her pictures

The Story:

Services " her Likes"(apparently)included 'OWO' Swallow, I Love Anal.. Utter nonsense.. Bait & Switch...This was not the girl in the pictures and services were terrible. Covered Oral (tried to cover it before it was even up !!), I hate covered oral, couldn't get interested at all and would never have walked in had I known. Where was Linda....I wanted the services advertised, with the girl advertised...

Couldn't touch her, refused anal. worst punt I ever had, utter waste of money and walked after 15 mins..

Someone else was working there too , may have been the 'real' Linda.. her recent reports on AW were very good... my experience was terrible. Had high hopes going in, left wiser and disappointed..
