The Premises:

Small clean modern terraced house in a cul-de-sac. Easy on-road parking towards the start of the road, then a minute walk to the door. Quiet location.

The Lady:

Olivia is around 5'3", slim with shoulder length blonde hair. She has a truly remarkable body for 40, and whilst her very nice face is about right for that age, from the neck down I'd have real trouble even believing as old as 30. Even her skin felt young and tight. Very fit with lovely smallish breasts and responsive nipples.

The Story:

Excellent. Olivia greeted me and ushered me upstairs. She took trouble to find out what I liked, although my response of 'just normal stuff' wasn't very helpful. She helped me undress, stroked my body getting turned on, then covered oral (at my request) and a good long shag. She showed real passion and energy, riding me very hard in cowgirl and slowing down for me to recover when I needed it. She's got a lovely tight body and a lovely tight pussy and gave a superb performance. French kissing was never very deep or hard, but was very nice and improved as the hour went by.

Afterwards she encouraged me to take a shower, and I left feeling refreshed and relaxed.
