### The Story:

I have been seeing Danni now for around 6 years and I love her to bits. She is a wonderful person both inside and out. I will always love, honour, worship and obey her for she is my ideal woman and my Mistress. I would serve her for the rest of my life given the chance. Today was my birthday and I wanted it to be special so I decided to spend 3 hours with my beloved Mistress. It is never enough for the time always goes too quickly. I love to worship her entire body, massaging, kissing, caressing, stroking etc. Followed by delicious oral of her beautiful most special place. She is my Goddess. What more can I say, I am under her seductive spell?
