The Story:

I promised to write a review so apologise it is so late.

I was very nervous and took a time getting hard - my fault, not getting any younger.

Lots of kissing with deep tongue which helped settle me down. She then started oral without which was excellent. Into reverse oral. This went on for 30 mins or so, made her cum and she then took care of me.

Would not have managed a second time.

Best oral ever and I cannot rate her highly enough. A stunning lady with stunning talents!
