### The Story:

Gabriella had been on my must-see list for about 2 years and I'm glad I saw her. We had a passionate and incredibly horny session which included her dressed as a secretary (same costume as in the website pics) and straddling on me, as I sat on a chair – all part of the office role-play. She even got me to come twice which is no small feat given how intense the first one was! Highlight is the memory of her demanding (in her sexy Norfolk accent) that I grab her round the neck and go harder.
